

The Federal Communications Commission has the power to stop Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election. I am writing to urge you to stop Sinclair from forcing their stations to air this extremely partisan piece, "Stolen Honor." Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Airing this "documentary" on the eve of the election is a clear violation of this obligation.

Thank you,

Mary M. Jones
